

COVER CROPS

Fauna 5

Food and shelter!

COMPOSITION

Millet	10%	Buckwheat	30%
Foxtail millet	10%	Sorghum	20%
Fodder radish	20%	Sunflower	10%

CHARACTERISTICS

- Ideal mix for covering open areas in autumn. It provides shelter and food for pheasants and other small game when reserves run low.
- Can also be suitable as a nesting site (second nest).
- Game mixture (small game)
- Set-aside mixture
